IMPORTANT GOVERNMENT ORDERS

REVENUE SECRETARIAT

Confers on the Chamarajanagar Town Municipal Council the privilege of electing a Non-Official President.

READ—

Letter No. D3. C 662—44, dated 23rd January 1946, from the Deputy Commissioner, Mysore District, recommending sanction to the proposal of the Chamarajanagar Town Municipal Council to have the privilege of electing a non-official President to the Municipal Council from among themselves.

ORDER NO. L. 8424-7—ML. 167-45-4, DATED BANGALORE, THE 21ST FEBRUARY 1946.

Under Section 23 (2) (*c*) of the Mysore Town Municipalities Act, 1933, the Government are pleased to confer on the Chamarajanagar Town Municipal Council the privilege of electing a non-official President to the Municipal Council from among themselves.

The Deputy Commissioner, Mysore District, is requested to take further action according to the rules prescribed in this behalf and to submit a report to Government early.

J. B. MALLARADHYA, *Rev. Secy.*

GENERAL SECRETARIAT

Passes orders regarding the grant of certain concessions for the Cultivation of Irrigated Ragi in the Irwin Canal Area during the Summer of 1946.

READ—

Letter No. S. M. 177-45-46, dated 24th January 1946, from the Director of Agriculture in Mysore, submitting proposals for cultivation of irrigated ragi in the Irwin Canal area during the ensuing summer.

ORDER NO. A. F. 3841-6—AGRI. 196-45-2, DATED BANGALORE, THE 7TH FEBRUARY 1946.

The Director of Agriculture reports that in view of the serious shortage of ragi in the State owing to unfavourable seasonal conditions, it is necessary to arrange for irrigated ragi cultivation in the Irwin Canal area during the ensuing summer, that the raiyats are generally reluctant to take up to summer cultivation of ragi on the ground that the ragi crop exhausts the soil and reduces the yield of subsequent paddy crop and that with a view to induce them to take up to ragi cultivation they may, as a further concession, be issued seeds and manure free of cost. The Director of Agriculture accordingly recommend:—

(1) that seeds and manure may be issued to the raiyats concerned free of cost. This is expected to cost not more than Rs. 15 per acre to Government calculated at the present concessional price at which manure is sold to raiyats;

(2) with a view to see that the concession is not misused, the Director proposes that the seed and manure be issued in the first instance as an advance. If the cultivator produces not less than five pallas per acre, the issues will be treated as free. In cases where the yield is less, the cost of the seed and manure supplied to him will be recovered as arrears of Land Revenue except in exceptional cases where the Director is satisfied that the short yield (below the five pallas per acre) was due to causes beyond the control of the raiyat and that the manure supplied has actually been used;

(3) that the mutchalikas in the form enclosed be obtained from the raiyats concerned.

Government are pleased to accept the recommendations of the Director detailed above. It is estimated that about 8,000 acres are likely to be brought under cultivation under this scheme and the concessions granted under it may cost not more than Rs. 1,20,000. The expenditure in this behalf will be met out of the provision under "32B-13(a) Grow More Food Campaign—Subsidy for the issue of seeds and manures at reduced rates."

The Director of Agriculture is requested to take necessary further action in this connection immediately.

MOHAMED ISMAIL SHERIFF, *Genl.*
